Hickam Heroes

Airmen 1st Class Vernon Piper PACAF CSS

The PACAF CSS rocks because: We are a cohesive unit that has fun while doing our job.

My job affects all of Hickam in that: If there's no Comm., there's no bomb.

When not at work, I spend my off duty time: Going to the beach, getting on Myspace, hanging out with new friends that I meet all the time.

Something people don't know about the PACAF CSS: That we are more than just a bunch of computer nerds.

If I could change one thing about Hickam, it would be: Easier to meet new people.

What his supervisor has to say: Airman 1st Class Piper's knowledge and expertise have been pivotal in PACAF CSS's C2 mission. He is an asset and his off beat sense of humor has brought a smile to the squadron.

Staff Sgt. Michael S. Manchee
